

I listen to KLOVE on 104.3 FM. This is the ONLY contemporary Christian music station we can get here. It is valuable to me as an individual and to my family and community. If this were to be displaced, we would not be able to listen to Contemporary Christian music on the radio at all. There are plenty of stations that broadcast Country/Western, Pop, Rock, Alternative, etc. We do not need more of those. I believe that this particular station is in the best interest of the community so that we have a choice as to what we listen to. Thank you for the opportunity to express myself.
